No. 38

OUR TOWN

New that political year is with us again and the people of Cameron are to select the men who are to manage the affairs of the government, it is important that they bear in mind the necessity for a well defined policy of operation. We hear much about men and personalities and about issues that have no bearing whatever on the property of the people and we think it expedient to call attention respectfully to some needs of the city.

Two candidates have announced for Mayor. No announcements have been made for the board of aldermen and this is important. The necessity for calling public attention to these matters is by no means pleasant or desired by this column. It is unfortunate that so few know or care anything about the business of the government. The men who are to manage the government must, in our opinion give satisfactory answers to the following:

Under past policy all property rights represented by options in public utilities interests have been given away by the city without price or consideration. If possible these rights should be retrieved and future franchises granted should yield something to the people instead of fastening themselves as a burden on the people and their tax money. Franchises are leases upon streets and alleys. These streets and alleys belong to the people. They pay taxes for their upkeep and they own them. When a public utilities corporation secures use of them without price or consideration, the people are furnishing a house for them to do business in and in addition are paying out of their public treasury their tax money. In view of the announcement of the council that an effort will be made to retrieve these rights and in view of the fact that there is shortly to be made another application for franchise, candidates for mayor and aldermen should come out in no uncertain language to declare how they stand. Voters who do not inquire about these matters of great concern to their tax money and their own economic welfare, are submitting to a dangerous tendency and will soon witness the dissolution of all their interests.

The city is paying heavily for lights and water. In exchange for a house to do business in—the streets and alleys—it seems reasonable that the city should not have been asked to give away such concessions without receiving for them better treatment as to its rates and amounts being paid. The city had options in all public utilities franchises. These were waived under a previous policy in 1925. The people should demand of their candidates that they tell them whether they will protect their rights in the future or not.

This column believes the proposed street surfacing contract should not be entered into. We believe the price is too high and the proposed character of work far inferior to the needs. We believe it will be a waste in the end and a policy of economy would demand better paving and financing by bonds. Candidates should speak out on this issue.

We believe the city should be so operated as to bring about a surplus in the treasury of reasonable amount and that every contract in which the city is interested should be concluded with the same regard for savings as business contracts are made. This has been done during the past two years or more because dictated by necessity and it has proven beneficial. It should be continued. Candidates should speak out on this.

Progress should be made. Economy is not against progress. Cameron needs some constructive public improvements. We need better streets, but let's put down something more permanent. The work of sanitation is merely begun. It should be continued and enlarged upon to the extent of the construction of an incinerator plant. Candidates should speak out on this.

All interest bearing debts of the city represented by warrants or otherwise carrying a rate in excess of 5 per cent should be converted to bonds, if it appears that the demands for

CITY POLITICAL POT BOILS AS PRIMARY ELECTION APPROACHES

KARHUNSAARI WINS FROM KETONEN—CHAMPIONSHIP IS CLAIMED

"ABRAHAM LINCOLN" GREAT DRAMA FROM AMERICAN LIFE JANUARY 27, 1928

INTEREST INCREASING IN CITY CAMPAIGNS

THREE CANDIDATES FOR MARSHAL AND TWO FOR MAYOR SO FAR

As the city primary on February 7 approaches interest continues to increase in the local campaign.

So far there have been no announcements for any office connected with the government except in the marshal's race and for mayor. It is expected that other announcements will appear next week.

B. Slocomb, present incumbent, is a candidate for re-election to the office of marshal; J. E. Holtzclaw, former marshal, is a candidate and Geo. A. Richards, former assistant marshal is the third man to get into the race.

W. W. Chambers and Wm. R. Rogers are candidates for the office of Mayor. Neither have announced a platform but their friends are active in behalf of them.

Only two places are to be filled on the board of aldermen. J. P. Brown is a candidate for re-election and J. B. White who has served for two years has declined to stand for re-election.

A city attorney is to be elected, a city secretary and the tax assessor and collector.

There is a growing tendency that those who seek these offices should announce for them so the people may know for whom they are to vote at the primary.

GEO. A. RICHARDS IN THE RACE FOR MARSHAL

Geo. A. Richards is a candidate for City Marshal of Cameron, subject to the action of the city primary election on February 7.

The announcement of Mr. Richards will be found elsewhere in this issue of The Herald.

Mr. Richards is at present with the Santa Fe service in Cameron, was born and reared in Milam county and is well known here. He was formerly assistant city marshal in Cameron and has had experience as a peace officer.

Mr. Richards hopes to see every voter in the city before the date of the primary election, but in the event he does not see each voter personally, he asks them to give him their vote and support at the polls on February 7. His friends over the city are especially requested to assist him in his race. He promises the people, if elected he will enforce the laws without fear or favor.

Pythians Are Active

The Knights of Pythias are very active at this time, having initiated two in the rank of Knight at the meeting on Monday night. At the next meeting others will be given this rank.

public improvements will prevent the accumulation of necessary surpluses to pay off the on or before paper. This is important. The candidates should speak out on this.

Law enforcement is the basis of all constituted authority and no government should fail to enforce.

All candidates for the council should take definite stand on the public utility matter at once and should, in our opinion state their views on all these questions. There will be some who will regard this as an attempt to dictate cleavage in the campaign. Not so. Failure to answer these questions or to state clearly what policy is to be adopted toward them would be an indication of lack of courage and frankness.

Heads District Medical Association 17 Counties

DR. G. B. TAYLOR

Dr. G. B. Taylor of Cameron has been elected head of the Central District Medical Association at a meeting of the Association held in Waco on January 10. Dr. Eastland of Waco was named secretary of the association.

The district is composed of 17 counties. Dr. Taylor has served for a number of years as secretary of the Milam County Medical Association and as vice president of the State Medical Association, is active in the affairs of both organizations and his friends in the profession everywhere will be glad to learn that he has again been honored by the men of his profession. The next meeting of the association for the district will be held in Hillsboro in June at which time Dr. Taylor will preside for the first time as the president.

The meeting in Waco was attended by about 100 doctors with banquet on the roof garden of the Raleigh hotel.

Dr. Taylor keeps abreast of his profession and has every modern equipment for his eye, ear, nose and throat hospital in Cameron. He is the father of Jack Taylor, noted athlete, who bids fair to place for the Olympic games in Paris this year.

GAS COMMITTEE IS ACTIVE FOR SIGNERS

150 SIGN FOR GAS AND CLUB CONTINUES DRIVE FOR NUMBER

Up to Thursday afternoon 150 prospective consumers had signed contracts to assure gas for Cameron.

F. E. Jackson, in charge of the committee work will continue active until the 500 signers required have been secured.

A canvas of the business district last week netted 129 the first day. Others have been signed to bring the total to 160. A total of 500 consumers are required for the gas company to lay their lines to the city.

If you are a home owner or have rented property in Cameron you should see the committee at once and sign for this gas. It will help Cameron and give the people cheap fuel for domestic as well as commercial use.

Wrestling Card Held Up Pending Program Arranged By Legion

No wrestling bout has been announced for Tuesday night as the Legion met Thursday night for the election of officers and to arrange its program for the new year.

W. E. Lamb has been in charge of the wrestling cards, with the assistance of H. M. Akers and they have taken considerable time from the business and given to the post.

The matches have attracted many people and have provided a fine entertainment for the people.

The fans here look forward with interest to the program of the Legion to be announced next week.

CHAMPION IS HURT AND FORFEITS THE MATCH

MIGHTY FINN AWARDED THE MATCH AND NOW CLAIMS THE TITLE

Henry Karhunsari is the champion.

In one of the greatest exhibitions of the wrestling game here Tuesday night Henry Karhunsari, was awarded the decision, when Waino Ketonen, champion was unable to return to the ring after the second fall.

A bad cut over the left eye prevented the champion from returning to the mat and he forfeited the match to Karhunsari. He was taken to the hospital where two stitches were taken in the gash. The accident was wholly unavoidable and ended the match with dramatic suddenness after 17 minutes in the second period. The Finn fastened the champion with a head lock and a body clamp and threw him over his head as both men were struggling on the canvas.

The champion was heard to give an exclamation of pain and lay still after the referee had tapped the Finn on the back indicating he had won the fall. Ketonen was taken to his dressing room and from there went to the drug store for treatment. Returning to the hall he forfeited the match.

Karhunsari is now the champion. Here is what he says: "I regret the injury to Ketonen. I am now the champion and I will defend my right to the title against any man in the world who makes the weight of 157 pounds and challenges me."

Ketonen took the first fall in fifteen minutes when he fastened a hammerlock on the Finn and the latter yielded to save his arm.

Ketonen is the best man ever seen in Cameron with the exception of Karhunsari and had the advantage in the match Tuesday until the accident, but did appear to be tiring under the strain of meeting and combating the Finn who came back at the end of the first fall and tore into the champion with a vengeance.

The largest crowd ever to witness a match in Cameron saw the men wrestle.

"I want a return match here. I am confident I can beat Karhunsari," said Ketonen after the match. "I am leaving for Amarillo and I believe after I have met my engagements there not over three weeks will lapse and I want to come back and prove my right to the championship."

Ketonen said that he believed not more than three weeks would be necessary for the wound to heal and to get back in shape. The Legion will stage the return bout here.

No match has been scheduled for next Tuesday night. The Legion meeting was held on Thursday night and a decision was reached regarding the future matches.

Karhunsari while regretting the accident, is jubilant over his win. It places him in unmistakable possession of the title held by Ketonen, although the manner in which the eastern man lost is no discredit to him and a return match is demanded and is inevitable.

Cheeves Sale Makes History in Giving Clearance Prices

Making history in merchandise clearance sales the annual clearance sale of Cheeves Brothers is now on in Cameron. This sale is announced by a page advertisement in this issue of The Herald and circulars have been mailed out to the trade. Other circulars are to be mailed out.

The reduction in the prices are said to be lowest ever known here for the merchandise offered. This sale is in line with the policy of this store in their annual January clearance sales and the offerings will be of interest to the people of this section.

CITY WOULD RETRIEVE UTILITIES OPTIONS

COUNCIL FINDS 1925 DEAL COST CITY OPTION ON WATER PLANT HERE

The City Council Tuesday voted to consult counsel with the view of retrieving options to purchase public utilities plants in Cameron, waived in 1925 without consideration.

The matter came to light this week when it was found on investigation that at the time of the sale of the light and power lines in 1925 that options to purchased held by the city on the water plant were also waived.

The situation is a development coming through requests at the first meeting in January that the secretary, J. C. Joseph, ask for copies of the contract of sale and to ascertain why the city's options were not respected. At that time the city council was under impression that the city still owned these rights. Secretary Joseph found a copy of an ordinance passed by the council in 1925 in which these rights were waived.

When the water company was sold recently the question was asked if the purchasers had asked for waiver of the option. Mayor Davis who signed the ordinance in 1925 had apparently overlooked the waiver and when the ordinance was presented Tuesday, it was his opinion that the ordinance did not waive the option held by the city on the water plant.

Alderman White asked permission to consult counsel and on motion by him and second by S. H. McDermott the action was taken. Alderman J. F. Brown and Logan Green, both voting for the motion. Mayor Davis was excused to leave for the convention of hardware men which he is attending this week.

City Attorney Webb was shown the copy of the ordinance waiving the rights of the city, but did not recall ever having approved the instrument.

THREE WISE FOOLS AUDITORIUM JAN. 27

BUSINESS WOMEN BRINGING POPULAR PLAY TO CAMERON SOON

The "Three Wise Fools" that the Cameron Business and Professional Women's Club is sponsoring will be given at Belton February 2 and the following item has been taken from the Belton news: "Three Wise Fools," a comedy of mirth, master minds and mystery, which was contracted for last summer by the members of the local Rotary Club and the president of the Academic Literary Society of Baylor College. Its tremendous success elsewhere, the youthful romance and fragrant memories blended into the play, coupled with the mirth-provoking and human interest elements were enough to persuade the two organizations sponsoring the play for Belton, while the price usually charged for an attraction of this kind and quality ranges from \$3.00, \$2.50 and \$2.00 per person, an effort will be made to set a popular price that can not fail to pack the house."

The "Three Wise Fools" will be put on in Cameron at the Yoe High school auditorium, sponsored by the Cameron Business and Professional Women's Club Friday evening, January 27th for the bargain price of \$1.00 per person. The cast is the same as will play at Belton the following week.

This play is full of scenes abounding in corking love climax; dramatic climaxes that thrills and grips one; a plot that mystifies and baffles you to guess just how the happy closing is to be reached, that makes a person happy for many a day.

Mrs. Bessie Hefley Waller of Dallas visited Mrs. Henry Hefley last week.

JOHN DRINKWATERS MASTERPIECE JAN. 26

HIGHEST PLAY EVER BROUGHT TO CAMERON SAYS LOCAL COMMITTEE

John Drinkwater's "Abraham Lincoln," the great drama from American life and one of the greatest plays of the American stage and by far the greatest ever brought to Cameron, is to be presented at the Yoe High school auditorium, January 26.

Will O. Triggs, chairman of the local committee, has been very active in promoting the interests of this play here and has the active co-operation of T. A. Fisher, superintendent of the schools and Walter F. Harpe, as well as the Cameron press.

The scenery and costumes alone in this play cost \$6,000. This play was greeted by capacity crowds for two years in the city of Washington and has been received with like acclaim over the nation.

The tickets are on sale at the Palace of Sweets. The proceeds from this play will go to the benefit of the school here.

SHERIFF BLAYLOCKS RECORD HERE IS BEST

131 FELONY CASES REPORTED BY GRAND JURY DURING PAST YEAR

One of Texas' most popular and well known peace officers, L. L. Blaylock, has just closed another year in that office in Milam County.

Like most any other business, the beginning of the year finds him taking stock of his work for the past year.

Quite modestly and without boasting Mr. Blaylock admits that he had a good year—that is he was busy all the time, and gave to the people his best efforts and all his time.

With the recent report of the grand jury which adjourned until January 20, a total of 131 felony indictments had been returned in Milam county as the result of the work of this sheriff. Cases for smaller offenses such as misdemeanors and arrests where bills were not returned, make up a great total of deterrent authority that has been imposed in behalf of the people, bringing law violators to justice and administering the affairs of this office.

Mr. Blaylock accomplished this work with a small force of deputies and has turned to the county many hundreds of dollars in fine money.

He and his deputies, Will Vaughn and Guy Pope, have been very successful in arresting thieves and Cameron has been free from this kind of crime with the exception of one or two cases.

New Whippet Cars Widely Acclaimed

The new Whippet cars on which prices have been reduced in the most sensational decline of the low priced car field this year, are being admired by the people here and Perry Wilkerson of the Wilkerson Bros., garage believes this will be the biggest Whippet year.

These new cars are on display at the garage show room and are ready for immediate delivery. Many new features are added to the new car and the price has been cut as much as two hundred dollars.

Moves Office

Eugene Green has moved his insurance office from the First National Bank building to The Herald building and now is established in his new location with his insurance business.

FROM THE FILES OF THE CAMERON HERALD TWENTY-FIVE YEARS AGO

S. W. Cheeves was in Temple on business this week.

Mrs. W. T. Hefley returned last Saturday from Waco where she spent the holiday season.

Attorney Eugene Wallace of Rockdale was attending to business in Cameron last Tuesday.

Dr. Vol Reid was in Cameron this week from Holland, returning home Tuesday afternoon. He was still crippled as the result of a fall from

a horse prior to the holidays.

At the meeting of the stockholders of the Citizens National Bank last Tuesday afternoon, the following were elected directors for the ensuing year:

H. F. Smith, T. G. Sampson, W. L. Baird, James Sampson and Oxsheer M. mith. H. F. Smith, president; T. G. Sampson, vice president; W. L. Baird, cashier; James Sampson, asst. cashier. The bank is two years old and besides paying dividends, has passed \$5,000 to the surplus fund.

To be continued next week

Texas and Texans

By Will H. Mayes

Texas Going Ahead

One who reads the Texas papers looking for the constructive things being done all over the State rather than for sensational news and records of crime, must be impressed that the State has never before gone forward in the better things of life as today. Such a reading day after day can but impress one that we have here in Texas the finest climate, the best soil, and the highest type of people in both the cities and the country, to be found anywhere—a combination that can but make for the most ideal life. There are obstacles to be overcome, it is true, much work to be done, but the rewards to be obtained are commensurate with the efforts that must be put forth, and the Texas people are catching the spirit of achievement. Last year was the best in the state's history, and all over Texas there is every evidence that the people are determined to make this a better year. If you are not lined up with that effort, if you do not have a vision of what is to be done, then you are simply not attuned to the present Texas spirit, that is all.

The Go-Forward Movement

This forward-going movement ap-

pears to have struck the entire state and has hit cities, towns and country alike. Country communities, have been a little slow in catching it, but right now there is good reason to believe that the country is getting ready to catch up with the towns and cities in the matter of improvements. Most farmers are showing farm prosperity, due largely to diversification, dairying the poultry business, and the raising of other products than cotton, corn, and wheat, entering chiefly into that prosperity. Better farm buildings are being constructed, good roads, comfortable school buildings and churches. Automobiles, the radio, the community center are keeping the farmers in touch with the world, and as fast as the industrial development of the towns and cities will justify an increased farm population there will be "back to the soil" movement in Texas of a kind never before witnessed.

Home-Making Program

Mrs. Maggie W. Barry of Bryan at the General Federation of Women's Club, in Washington, stated that the clubs are going to ask the government to make a survey of home equipment just as it does on factories in order that a sort of standardization may be brought about to make home a more livable place. In other words it is proposed to find out just what the average home should have, to make it as livable as possible on the earnings of the head of the family, and having learned this then the clubs will set

about trying to bring the American homes to about the right standards. In a way, this is now being done by some Texas Federated Clubs where the women of the towns and the country are co-operating.

What We Have Learned

We have already learned that four walls do not make a home, that there must be good ventilation, proper heating, comfortable furnishings, attractive surroundings and a few things beyond the mere necessities of life. The women, who in Texas at least, are still the home makers are learning how to spend the family earnings in the best way to obtain these things. This is especially so since the women are now in many homes earning at least a part of the family income. The most noticeable improvements are now going on in the making of livable country homes in Texas.

Side Line Farming

An "all the world" turkey show has been held in Dallas, at which the best turkeys in all the country were exhibited. Texas raises and sells 40 per cent of the \$11,000,000 worth of turkeys annually sold in the United States, and so a Texas city has a logical place for such a show and naturally Texas had the largest and best exhibits. Mrs. Gladys Honssinger of Lebanon, Mo., refused \$500.00 for the prize winner in the Bourbon Red young class. Frank V. Hurd of Brady, bought a second prize winner for \$200.

While fancy turkeys may bring fancy prices it doesn't take such high priced birds to make money for the farm. Mrs. J. L. Patterson of Briggs Burnett county, last season sold \$418 worth from six hens with which she started and has nine left for breeding stock.

Mrs. J. C. Zeigler of Fluvanna, Scurry county, started last year with one gobbler and four hens and sold \$165 worth, having twelve hens and a gobbler left. Work like these women have done is making for successful farming.

Encouraging Boys and Girls

The San Benito Chamber of Commerce will distribute 100 baby chicks each to 100 boys and girls of the county as a loan from a local bank, and will in addition loan the cost of the necessary feed. The boys and girls

will be expected to care for the chicks and sell enough broilers and friers to pay back the loans, retaining the remainder as a start in the poultry business. A good suggestion to other chambers of commerce is contained in this.

Floydada Has Boom

Floydada has what is termed "a same boom" as the result of the construction of an extension of the Quanah, Acme and Pacific railroad from McBain to Floydada. The cost of the railroad extension will be about \$1,250,000. Many new buildings are going up over the town in additions to the \$35,000 railway station.

More Hotel Room

A new hotel was built at Kerrville last year, being completed in April. It was thought then that the five story building with 80 guest rooms would accommodate the travel, but the proprietors have found it necessary to add three additional stories at a cost of \$100,000 with 60 more rooms, to take care of the summer tourists travel to that section of the State. Texas tourists are finding that Texas is as inviting as the more distant places to which they have been going.

Irrigation Boom

The five million dollar irrigation project at Eagle Pass has started that staid old town on a new growth. Wherever irrigation starts there is certain to be an influx of people and of wealth that makes for the prosperity of both the town and the country. It is safe to say that the wealth of Eagle Pass will increase many fold in the next few years.

Worthy Project by Women

The Mercedes Business and Professional Women's Club has undertaken as its major work of the year a school and home grounds beautification campaign and will conduct a beautification school in which instruction will be given in the scientific landscaping of the yards of the city. The work of an expert landscape engineer will be used, and prizes totalling more than \$1,000 will be awarded in beautiful yard contests.

Mr. Jeff Jeter of Merysville, Kansas left this week after an extended visit with Mrs. Wm. Jeter and family and Mr. R. P. Jeter.

1

ECONOMIC SIGNIFICANCE OF THE AMERICAN COTTON INDUSTRY—From latest volume in Manhattan Library of Popular Economics, republished in serial form through courtesy of Bank of the Manhattan Company, New York.

ARTICLE ONE

THE SPIRIT OF AMERICA

WHAT are the most important subjects of human interest? Not the adventures of kings and warriors; not even the doings of statesmen, scientists and educators—the most important subjects are those which concern the greatest number of people for the largest proportion of their time.

Outstanding among these is the great daily adventure of making a living.

From before the dawn of history, the world has been organized upon the basis of industry. Here and there may be found a drone, but for nearly everyone labor is the price of life. Also it contributes much of the sociability of life.

This is due to the fact that at about the time when he ceased to be a pre-human animal, man must have realized that working together produced better results than working alone. Even when the working was not accomplished side by side, cooperation became possible through exchange. Then, as abilities differed and as people liked to do what they could do best, all parties to the exchange were better off. Today you might search from the Atlantic to the Pacific and hardly find one person whose living does not depend on the cooperation of others. Even a hermit uses tools that he does not fashion. Cooperation is a law of life.

In an ideal society, however, this cooperation will be voluntary. Wherever it is enforced, there is danger that the weak will lose their liberty and the strong will seize more than their share of the proceeds. Then will come resentment, perhaps revolt. The human machine will be thrown out of balance. All will suffer.

Such a revolt produced the American nation which was dedicated from the beginning to the right of voluntary cooperation. When our forefathers talked of "liberty," as they often did, they implied the right of voluntary cooperation. Today, we rarely refer to it; it seems a matter of course.

The twin brother of Voluntary Cooperation is Individual Initiative. Working together, these have made our prosperity what it is—these, along with the advantages of soil, climate and other gifts of Nature. They are an essential part of the Spirit of America.

Individual initiative—that has been American from the start. The early settlers who made the long and hazardous voyage in order to conquer a livelihood in a wilderness were heroes of adventurous self-reliance. The later immigrants, who by millions broke away from the limitations of their native lands in order to join the swiftly moving life of the new world, thereby proved that they, too, were filled with the same enterprising spirit. Thus America's settlers were self-selected for energy, courage and sturdy independence. Their descendants have fallen heir to a wonderful heritage.

Individual initiative leads a man to seek his own natural vocation—to strive to find the trade, business or profession to which he is best adapted, rather than to follow submissively in the footsteps of his ancestors, as in older lands. This has increased proficiency and abolished caste. It has furnished the "horse power" of progress.

But in order to produce results there must be machinery as well as power and this has been created by voluntary cooperation. Self-reliant individuals, working together freely as willing co-laborers, not as subservient slaves, have brought the spirit of partnership even to employment—each has remained the "Captain of his soul."

America, then, is more than the home of its citizens, it is the busy workshop of one hundred and fifteen million active people. These millions have created innumerable commercial and industrial organizations, by means of which they can cooperate, but, by following the same great impulse, these larger

units can and do cooperate to produce the prosperity of the nation. In a sense, America, almost unconsciously, has become a single huge mechanism in which agriculture, manufacture, transportation, public utilities, mining, banking, insurance and other divisions work together with a degree of harmony for the welfare of the whole.

In such a great interdependent mechanism, injury to any one part is harmful to all other parts and the actual failure of an important division endangers the security of the whole.

Among all the divisions of the American industrial machine, few can compare in magnitude of operations, in direct effect upon other divisions and in importance to the welfare of the entire population with that vast and little understood enterprise—the growing and manufacture of cotton.

(Next Article, "RULER OR SERVANT")

Working together, these have made our prosperity what it is

being rendered.

The book, "Growing a Church" is to be taught next week by the pastor. A large attendance is expected. The class will meet Monday night and continue five nights.

Episcopal Church

Sunday, January 22nd
Evening Prayer and Sermon at 7:00 p. m. Sunday School at 9:45 a. m. Young People's Service League at 1:30 p. m. You are invited to come and worship with us.

Presbyterian Auxiliary

The ladies of the Presbyterian Auxiliary met in circles Monday for the study of a foreign mission book. Circle one met with Mrs. Henry Sapp, circle two with Mrs. Jas. Watson, circle three with Mrs. E. Eggert, circle four with Mrs. Jas. L. Coleman. Next Monday the ladies will meet at the church.

Founder's Day

Former students and admirers of Baylor will look forward to the announcement below. The program will be broadcasted from W. J. A. D., Waco February first.

9:30—Baylor Bear Band—listen in for "That Good Old Baylor Line"—that famous "Long Yell"—Baylor pep songs.

Missionary Society

The ladies of the Methodist church met in circles Monday for a lesson from the mission book, "Voice" also at each meeting leaflets were read on the growth of the Missionary Society in the last 50 years. This being the Jubilee year the year giving extra time to this subject at present.

Circle one met with Mrs. Joynes with ten present. Mrs. Henry Davis was leader. The hostess served light refreshments. Circle two met with Mrs. H. N. Tate with eight present and Mrs. Rylander, assisted by others was leader. Salad plates were served. Circle three met with Mrs. Sam McDermott with thirteen present with Mrs. Bob Terry as leader. Light refreshments were served. Circle four met with Mrs. Fred Cable with nine present and Mrs. Lena Baskin was leader. Mrs. Jeff Hefley was present at this home. She is one of the early members of the Missionary Society of the Cameron Methodist church and gave in a very interesting way the growth of the local society since she has been a member.

School nurse says all girls should know this

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking nujol, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when nujol should always be taken. Take a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or gas pains or griping." Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless, and works so easily. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine.

Tuesday Bridge Club

Last Tuesday Mrs. Lloyd Mitchell was hostess to the Tuesday Bridge Club at promptly three o'clock at her home on North Travis Street.

The rooms of the home were adorned with vases of red carnations with here and there pots of ferns. Four tables were arranged for the games, each having a bright cover in pastel shades. The score pads and tallies were dear little colonial girls in full skirts of lovely bright and gay designs these were passed to the guests by Master Joe Lloyd the manly little son of the home. Linen covers were placed on the tables at the conclusion of the games and a salad plate was served consisting of chicken salad, stuffed olives, crackers, bread and butter sandwiches, novelty cookies and hot tea. No prizes are offered at this club. Guests honored besides club members were Mesdames W. R. Hooyer and Conn Miller and Miss Velda Walker, all neighbors of the hostess.

Homemakers Class

The Homemakers Class of the First Baptist church met in regular business session January 13th with the president, Mrs. Dan Gunn presiding. Opening prayer by Mrs. E. S. Hutcherson. Minutes were read by Mrs. W. O. Newton in the absence of the secretary, Mrs. D. Fikes. Reports from group captains were given in full. This class maintains a student's loan fund which is being used now without interest by a young woman in Baylor College. During Christmas the class gave a splendid donation to Buckner Orphan's Home and also distributed fruit, jelly and clothes among unfortunate children of Cameron. At this meeting Mrs. Hutcherson resigned as teacher and at present no one has been elected to fill her place. She will be greatly missed for her splendid work among the mothers of the class and also for her thorough and efficient teaching.

Reporter.

Baptist Church Notes

There were 326 in Sunday school last Sunday. That is good, but it should be, and could be better. Next Sunday should be a record day for the Sunday school, B. Y. P. U. and church attendance.

Mr. M. W. Wolf of Dallas, will speak at 11 o'clock Sunday morning and again at three in the afternoon. Mr. Wolf is prominent both in religious and business circles.

The three B. Y. P. U.'s are still moving onward. The present enrollment is 106. Splendid programs are

PUBLIC UTILITIES REGULATORY BODIES CONVENE AT DALLAS

Walter S. Gifford, Bell System Head,
Addresses Meeting.

DALLAS, TEXAS.—John J. Esch, chairman of the Interstate Commerce Commission; W. W. Atterbury, president of the Pennsylvania Railroad, and

WALTER S. GIFFORD,
42-Year-Old President of Bell System,
Addressed Convention of National
Association of Railroad and Utilities
Commissioners in Dallas, October 20.

Walter S. Gifford, president of the American Telephone and Telegraph Company, were among the utility men present at a luncheon given at the Adolphus Hotel on the occasion of the annual meeting of the National Association of Railroad and Utilities Commissioners.

One of the principal speeches at the luncheon was the address of President Gifford of the American Telephone and Telegraph Company. His speech, in part, was:

"Broadly considered, you, as Public Utility Commissioners, are engaged in a common enterprise; our success must depend upon mutual confidence and understanding. In the current performance of our daily tasks it is possible to lose sight of the ultimate aim and goal of our endeavors. With the thought in mind that it may prove helpful, I wish to state very briefly the principles that guide the management of the Bell System.

420,000 Stockholders
"There are today over 420,000 stockholders of the American Telephone and Telegraph Company, and no one of them owns as much as one per cent of the capital stock. The business of this Company and its Associated Bell Telephone Companies, whose common stock is largely owned by this Company, is to furnish telephone service to the nation. This business from its very

nature is carried on without competition in the United States.

"These facts have a most important bearing on the policy that must be followed by the management if it lives up to its responsibilities. The fact that the ownership is so widespread and diffused imposes an unusual obligation on the management to see to it that the savings of these hundreds of thousands of people are secure and remain so. The fact that the responsibility for such a large part of the entire telephone service of the country rests solely upon this Company and its Associated Companies also imposes on the management an unusual obligation to the public to see to it that the service shall at all times be adequate, dependable and satisfactory to the user. Obviously, the only sound policy that will meet these obligations is to continue to furnish the best possible telephone service at the lowest cost consistent with financial safety. This policy is hard to succeed in the long run and there is no justification for acting otherwise than for the long run.

"It follows that there is not only no incentive but it would be contrary to sound policy for the management to earn speculative or large profits for distribution as 'dividends' or extra dividends. On the other hand, payments to stockholders limited to reasonable regular dividends with their right, as the business requires new money from time to time, to make further investments on favorable terms, are to the interest both of the telephone users and of the stockholders.

Spirit of Service

"Undoubtedly a very great factor in the continued progress and improvement of telephone service is the intangible but quite real spirit of service that has become a tradition in the telephone business. It is fundamental in our plan of organization to have at headquarters and in our laboratories several thousand people whose sole job it is to work for improvement. They are engaged in studying what is used in the telephone business and how it is used and endeavor to find a better thing or a better way. Of course, the people who are engaged day by day in trying to maintain a high standard of telephone service are doing their part, and a most important part, in increasing the quality and keeping down the cost of service, but progress is assured by having a large group of scientists and experts devoted exclusively to seeking ways and means of making the service better and cheaper.

"It is now nearly 20 years since the State Commissions generally took over the duties of regulating the telephone companies. During those 20 years the physical results of your regulation and our operation are impressive. In 1907 there were about 6,000,000 telephones in the United States, but they were only partially interconnected, while today there are over 13,000,000 telephones in the United States so interconnected that it is possible for practically any one of the 13,000,000 to be connected with reasonable promptness with any one of the 13,000,000. Thus today, practically any one anywhere can talk by telephone with any one else, anywhere else in the country. Moreover, anyone in the United States can now converse by telephone with anyone in Great Britain, Canada, Cuba and the principal cities of Mexico."

Plumbing Ordinance To Be Enforced Here

The city Monday heard complaints from M. N. Kilian regarding failure of proper enforcement of the plumbing ordinances and of failure of the inspector to vigorously apply the provisions of this city law.

The council assured Mr. Kilian that

in the future there will be no lack of co-operation and the inspector, Dr. Sutton was asked to file complaints against all who violate this ordinance.

Sanitary Work Here To Keep City Clean

Complaints have been registered about the dumping grounds used by the city and county will co-operate in an effort to prohibit offensive use of these grounds in the future.

Obstructions placed in the public road adjacent to the dump grounds

have been removed by the city and a warning is issued that those caught dumping in the road will be prosecuted. The city points out that this ground is maintained for the convenience of the people and they should not abuse it.

New Chevrolet Cars Selling Fast; Can't Supply the Demands

So rapid has been the demand for the new Chevrolet cars that the local company, the Coleman Chevrolet Company, is having difficulty in meeting orders. Cars have been borrowed from other dealers. The shipment received last week has been sold.

The company is to receive another shipment in a few days. Orders are being booked for the new Chevrolet, the greatest car ever made by the company.

Mike Coleman, manager said: "We are more than pleased with the reception given the new car here and we are doing our best to supply the demand for them. Shipments are coming to us as fast as possible from the factory."

As You Like It

Mrs. F. J. Beckerman was hostess to the "As You Like It Club Wednesday at her home and named Mrs. Albert Triggs, who is leaving Cameron, February first, as honor guest.

All were asked to bring scissors, needle and thread. The hostess passed bright squares of checkered gingham and showed the ladies the art of making smocked boudoir pillows. This was indeed a delightful party and see who could do the most work in the given time. After work time was over Mrs. Beckerman in a very charming speech presented Mrs. Triggs with a pink pillow that had been completed and used as the model during the afternoon.

The hostess served chicken salad, cheese straws, bread and butter sandwiches, olives, crackers, fruit jello with whipped cream. Mrs. W. E. Kuehl and Mrs. E. Eggert assisted in hostess duties. Guests sharing this delightful party besides club members were Mesdames J. C. Martin, W. E. Kuehl, J. Ralston, Belle McKinney of Waco, A. J. Triggs, E. Eggert, B. F. Bonds and the honoree Mrs. Albert Triggs.

Quart of Water Cleans Kidneys

Take a Little Salts if Your Back Hurts, or Bladder is Troubling You

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Eating too much rich food creates acids, which excite the kidneys. They become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood. Then we get sick. Rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders often come from sluggish kidneys. The moment you feel a dull ache in the kidneys, or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, begin drinking a quart of water each day, also get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast, and in a few days your kidneys will act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush and stimulate the kidneys; also to help neutralize the acids in the system, so they no longer cause irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep the kidneys clean and active and the blood pure, thereby often avoiding serious kidney complications. By all means have your physician examine your kidneys at least twice a year.

WHEN BETTER AUTOMOBILES ARE BUILT... BUICK WILL BUILD THEM

Everything that is BUICK for only \$1195 f. o. b. factory

You may have thought that you couldn't buy a Buick for as little as \$1195—that you would have to pay considerably more for Buick quality.

The truth is that you can have any one of three popular Buick models at this figure—a Sedan, Coupe or Sport Roadster—all of them, cars of true Buick quality.

You have always wanted a Buick—and today's Buick surpasses all previous creations. See it—drive it—and own the car you have long wanted.

SEDANS \$1195 to \$1995 COUPES \$1195 to \$1850 SPORT MODELS \$1195 to \$1525

All prices f. o. b. Flint, Mich., government tax to be added. The G. M. A. C. finance plan, the most desirable, is available.

NEW ESSEX SUPER SIX MODELS

The 1928 Essex Models are on display for the first time in Cameron in the show rooms of the Tire Store. Horstmann Brothers announce shipment of a car load of the new cars.

NEW FORD CAR HERE AND MANY TAKE RIDE

APPROVAL IS GENUINE FOR
HENRY'S STARTLING
NEW PRODUCT

Riding in the new Ford car is a popular pastime in Cameron this week. Hubert Hefley Motor Company late last week received one of the new cars a two door sedan and this car has been used since its arrival here as a demonstrator.

Many people have driven this car and find it meeting all expectations and more. A test shows the car will make around 70 miles; 45 miles in second gear and drives with the ease of the finest manufactured. In appointments the new car is a sensation and those who have seen it declare it meets all expectations.

This car is not for sale but is being used for a demonstrator.

Mr. Hefley expects to receive a shipment of these cars soon. Many orders have been booked, a unique record in that people are buying a car they have never seen.

Transfer Business

The transfer business formerly owned and operated by the late John T. Gambill has been purchased by the Richter Transfer Company and will be operated from the same location in the future and the telephone number will be 66. An announcement appears elsewhere in this issue of this paper.

Albert Richter will be in charge of the business. Akers Bros., owners of the Coco Cola Bottling Company here and other interests elsewhere have purchased the Gambill estate and they in turn sold the transfer business to the Richter boys.

City Would Enforce Maintenance Bond On Paving Contract

Lack of firmness on the part of the city may prove costly in the case of the paving laid on the down town streets during 1924. The contractor who is under bond to the city to maintain this pavement for a period of five years, has been requested to do some repair work. So far the council has not been able to secure the desired co-operation and on Tuesday of this week voted to take action, if necessary, in a legal way to protect its interests. Counsel will be consulted this week with the view of ascertaining what can be done about enforcing the maintenance bond.

A portion of the pavement near the Yoe building is giving way to traffic and at other places repairs are needed.

The council, in the opinion of many, should have taken this action several months ago. The maintenance bond expires this year and unless the pavement is repaired, great loss will accrue to the people.

Legion Meets Tonight

Commander Mack Akers of the local Legion post has called a meeting for Thursday night in the office of A. F. Mitchell, county engineer. Election of officers will be held and a general discussion of plans for the future will be the feature of the meeting.

All members of the post are urged to be present. Henry Lippman, adjutant has mailed out notices of the meeting.

Court Proceedings

The case of the State of Texas vs. Gulf, Colorado and Santa Fe Railway Company, a suit for taxes in behalf of the State, County and certain school and road districts for 1926, went to trial Monday morning. The State is represented by County Attorney, A. J. Lewis and his associate J. M. Ralston and defendant by Chambers and Gillis of Cameron and Duff and Duff of Beaumont. Defendants called for a jury and at the conclusion of the evidence, its counsel stated it was a matter of law, as to which side should have an instructed verdict and at instance of both sides, the case was submitted to the court without the aid of a jury and the court now has the matter under advisement.

Mrs. Harvey Dobbins had as her week end guests Mr. and Mrs. B. B. Arledge and her mother, Mrs. Jones of Taylor.

Mr. and Mrs. Whatley of the Nolan Maddox farm are the proud parents of a baby girl named Alta Hubert Whatley, the baby and mother are doing fine.

Zonite

For pyorrhea

For prevention against gum infections, use Zonite, the new powerful antiseptic. Also guards against colds, coughs and more serious diseases of nose and throat.

Drink Water to Help Wash Out Kidney Poison

If Your Back Hurts or Bladder Bothers You, Begin Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache; no hawking, snuffling, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly.

It is just what every cold and catarrh sufferer needs. Don't stay stuffed-up and miserable.

State of Texas

To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

Notice of Filing Account
Estate of Decedents

The State of Texas,

To all persons interested in the Estate of Frank D. Dreher, deceased. Mrs. Myrtle Dreher, guardian has filed in the County Court of Milam County, guardian's final account in said estate and an application for discharge which will be heard at the next term of said court, commencing the first Monday in February A. D. 1928 at the Court House thereof, in the town of Cameron, Texas at which time all persons interested in said Estate may appear and contest said account, should they see proper to do so. Herein fail not, but have you then and there before said court this writ, with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said Court at Cameron, Texas, January 14th A. D. 1928.

Lillian Atkinson, Clerk,
33-34c Co., Court, Milam Co., Tex.

FLINT DEACON GOES TO PRISON FOR LIFE

WAS PIOUS SMAN BUT CONFESSES TO THREE CRIMINAL OFFENSES

Flint, Mich., Jan. 18.—The slayer of golden-haired Dorothy Schneider is on his way to pay the penalty for his crime, Judge Frederick W. Brennan of the Genesee county circuit court today sentenced Adolph Hotelling to life imprisonment at hard labor in solitary confinement in the state branch prison at Marquette.

The murderer bears with him on his trip to the bleak upper peninsula institution a mark that brands upon him the hate and desperate grief of the father of his victim. As the stolid disheveled Owosso carpenter and church elder was brought into court today, Leslie Schneider, father of the girl lashed out with all his strength and struck Hotelling full in the face.

In passing sentence upon the confessed murderer who had entered a plea of guilty, Judge Brennan declared, "The details as shown by the confession and the proof almost convince me we should have capital punishment in this state."

Three witnesses only were called by the state, including the girl's father, a physician who told of the autopsy, and a court reporter, who identified Hotelling's confession.

Man of Apparent Piety

Owosso residents said Hotelling's outstanding characteristics was his apparent piety. He was made a deacon of Christ church here and took a leading part in the affairs of the pastorate. Only Sunday he presided at communion services at the church and after the services he was established as an elder.

Miss Katherine Baggett who attended school at Southwestern last fall will not re-enter until next fall due to a recent illness.

MORE COWS WANTED ON MILAM FARMS

COMMERCIAL CLUB MEETS MONDAY AND NEW INDUSTRY TRIES PLANNED

More cows on the farms of Milam county and a dehydrated milk plant for Cameron are the two major projects now before the commercial club.

Roll call showed the following named present: F. J. Beckerman, Frank Lesovsky, J. W. Coleman, J. D. Dobbins, J. C. Young, W. R. Hoover, W. H. Shipp, F. E. Jackson, W. M. Cobb, B. V. Shirley and E. S. Hutcherson.

Minutes of the last meeting were read and approved. R. H. McIntosh moved that the secretary be instructed to correspond with the East Texas Chamber of Commerce and ask them after their program for him is complete, to see if the commissioner of Agriculture of Missouri can be induced to come to Cameron and help us to put on a campaign to secure a dehydrated milk plant for this city.

Mr. McIntosh spoke interestingly on the importance of the dairy cow and promised to visit Round Rock and inspect the cheese and butter factory recently installed there and help to get either a cheese factory or a dry milk plant or both for Cameron.

Mr. Lesovsky made a strong argument in favor of more and better milk cows for Milam county. Mr. McIntosh's motion carried.

Mr. Lesovsky then moved that Mr. McIntosh, as chairman of the committee on Home Industries and factories, be authorized to pledge the club to pay expenses of commissioner or any other necessary expense in getting this movement on foot. It was carried.

Miss Lucille Dickard of Ruston, La., and also of Austin, where she is taking special work, is visiting Mrs. W. O. Triggs and other friends.

Notice to Contractors

Sealed proposals addressed to Giles L. Avriett, County Auditor will be received at the office of Giles L. Avriett until 10:00 o'clock A. M., February 16th, 1928, for furnishing all materials, equipment and labor for constructing rest rooms for Milam county.

Bidders must submit a Certified check for 5 per cent of the amount of their bid payable without recourse to Jeff T. Kemp, County Judge of Milam county, as a guarantee that bidder will enter into contract and make bond

within ten days after notice of award of contract to him. Bids without required checks will not be considered.

Plans and specifications may be obtained from the county engineer upon making a deposit of \$5.00, money to be returned when plans and specifications have been returned to the county engineer.

GILES L. AVRIETT,
Auditor, Milam County.

Frank Wauwinkle, State rural school supervisor, last week accompanied county superintendent, Mrs. K. K. Robbins to the rural schools of Milam county.

NOTICE!

The city has received many complaints regarding the running at large of chickens in the city. Notice is given that owners of chickens are not privileged to permit damage to flowers, gardens or other property of their neighbors and should at once see to it that their chickens are kept in proper enclosures.

The city trusts that it will not be necessary to take any further action in this matter and that those who keep flocks in the city will comply with this request.

Noted Baptist Layman
To Speak Here Sunday

M. W. Wolf of Dallas, noted Baptist layman and business man will speak in Cameron Sunday morning at the Baptist church and again in the afternoon.

Announcement elsewhere in this edition will give the details of the engagement here of Mr. Wolf.

The public is invited to hear this noted layman and all Baptists are urged to be present for the two speaking hours.

M. H. Wolf is one of the best known business men in America. He has engaged in the cotton business for many years and as a layman in the Baptist church has played a big part in the denominational life of the church.

A committee from the church composed of J. E. Mangum, C. W. Bradbury and Lloyd Mitchell together with the pastor E. S. Hutcherson have arranged for advertising the coming of Mr. Wolf. Window cards and small hand cards are to be used and the church has taken space in the Cameron papers.

Paving Contract Is
Not Signed; Program
Looms for This Year

Contract awarded more than two months ago for surfacing Cameron streets has not been signed. Bond has been posted by the contractors, Brown and Root but the contract has not been entered into.

According to agreement the grave work was to be done during the winter months but so far no work has been done on this contract.

It is likely that the work will start some time this year but so far no definite steps have been taken by the city other than the awarding of the contract.

Santa Fe Tax Case Is
Withdrawn From Jury;
Decision Up To Judge

The suit of Milam county against the Santa Fe railroad for taxes due in 1926 has been withdrawn from the jury and will be decided by the judge it was announced yesterday.

The decision will be rendered later in the term, it is announced. Introduction of evidence featured the first day of the trial and by agreement of counsel for the railroad and the county, the case was withdrawn from the jury. Judge John Watson will decide the case later.

Scott's Variety Store
Moved to New Location

The Scott Variety Store, the newest edition to the commercial life of Cameron will be opened on January 20 with a sale. Announcement of this sale will be found elsewhere in this issue. Dresses are being closed out at exceptionally low prices.

On the date of the opening Mr. Scott will hold his 19 cent sale. This sale will apply on goods in the variety stocks.

The store is located in the building formerly occupied by the Avriett grocery. The store has been repainted and rearranged.

Frigidaire Manager
From Houston Here

E. A. Blackburn of Houston, district sales manager for the Houston district is in Cameron Thursday with the local agent, H. C. Keith, to look over the territory.

Mr. Keith of the Keith Electric Company, has been selling a large number of Frigidaire plants in his district and has won many prizes for the work he has done.

Mr. Blackburn expresses the belief that 1928 will be a banner year for Frigidaire plants.

HAVE DARK HAIR
AND LOOK YOUNG

Nobody Can Tell When You
Darken Gray, Faded Hair
With Sage Tea

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

Well-known druggists say everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.

TURN HAIR DARK
WITH SAGE TEA

If Mixed with Sulphur It Darkens
So Naturally Nobody
Can Tell

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

FOR SALE—Cord wood, single buggy, cow pens, see or write, H. J. Schott, Buckholts, Rt. 1. 38-3tp

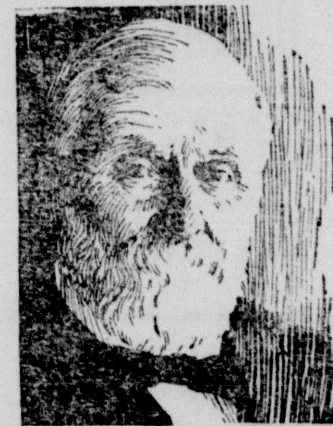

Drink Water to
Help Wash Out
Kidney Poison

If Your Back Hurts or Bladder
Bothers You, Begin
Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also eat from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

DR. W. B. CALDWELL
AT THE AGE OF 83

Countless girls and women now know how foolish and needless it is to "purge" and "physic" themselves to avoid sick headache, dizziness, biliousness, sallow skin, colds, or sour, gassy stomach.

They have found that Dr. Caldwell's Syrup Pepsin helps to establish natural bowel "regularity" even for those heretofore chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement, but, best of all, it never gripes, sickens or upsets the most delicate girl or woman. Besides, it is absolutely harmless and so pleasant that even a cross, feverish, bilious, sick child gladly

If Back Hurts
Begin on Salts

Flush your Kidneys occasionally
if you eat too much
meat.

No man or woman who eats lots of meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Too much meat may form uric acid, which clogs the kidney pores so that they sluggish filter or strain only part of the waste and poisons from the blood; then you get sick. Rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to activity, also to help neutralize the acid in urine so it no longer causes irritation, thus often ending bladder disorders. Jad Salts is inexpensive and can not injure; makes a delightful effervescent lithia-water drink, which everyone can take now and then to help keep the kidneys clean and the blood pure, thereby often preventing serious kidney complications.

PUT CREAM IN NOSE
AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. You cold in head or catarrh will be gone. Your clogged nostrils will open. You can passages of your head will clear and you can breathe freely. No more dizziness, headache; no yawning, sniffling, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly.

It is just what every cold and catarrh sufferer needs. Don't stay stuffed and miserable.

NERVES
ON
EDGE

When you feel nervous and irritable; when you can't concentrate, have nervous headache, lie awake nights, laugh or cry easily, you need a reliable medicine for your nerves.

Dr. Miles' Nerve

has been used with success in nervous disorders for nearly fifty years.

**Dr. Caldwell's
SYRUP
PEPSIN**

Under The Capitol Dome

Austin, Texas, Jan. 16, 1928
To the Editor of The Herald,
Dear Sir,

What do you think about the way the big boys up in Washington worked poor old Tom Love and his crowd down here in Texas? You remember, last week I wrote you about Tom's plan to send a delegation instructed against Al Smith. Well, it looks like he may have to back up on that, especially as Jesse Jones got him to help bring the convention to Texas.

Here's the way the boys up at Washington figured it out: Al Smith is the only democrat who has a chance against Hoover, Dawes or Lowden, but he could not be nominated if the 40 Texas votes were instructed against him. And it was beginning to look like they might be instructed. So they just fixed it by bringing the convention to Texas.

Now it would be a pretty inhospitable thing for Texas to do to instruct their 40 votes against any candidate, whether Al Smith, Jim Reed or anybody. About all that the Texas crowd will be supposed to do at Houston is let the others set the pace and then just trot along. If they want Al Texas is supposed to say "Barkus

is willing" and then support him.

But here's where the hitch may come. O lot of Texas people are going to figure that they didn't invite the convention to come down here, weren't even asked about it, and are going to refuse to be bound by the rules of hospitality. We haven't heard Tom Love in that subject yet, but a lot of women around over the State have been letting out loud yells and saying they are not going to quit fighting Al, even if he is a visitor in the state. The question is, can they fight him hard enough to beat him. If the Texas 40 should go to Houston instructed against Al he sure will have an uphill fight.

From now on you are likely to hear a lot of talk about our governor and Al being running mates. A lot of good democrats would like to see that combination, but it's my guess it will never happen.

Say, Mr. Editor, the more I see of this governor of ours the more respect I have for his good, common horse sense. Dan's just as level headed as any youngster I know anywhere, and he's not a bit conceited, either. He knows just about what his limits are and he's not going beyond them.

Dan knows there are lots of Southerners who are just as dry as he is, just as much Protestant as he is, and a whole lot better known to the country at large, who could be put on the ticket with Al in case they have a Southern dry Protestant.

But Dan also knows that if they nominate Al Smith they won't want a Southerner on the ticket with him. The South will go democratic anyway. With Smith carrying the East and tradition carrying the South, the democrats will want somebody from the West or Middle West. They will want a dry Protestant from Iowa, Nebraska or some such state, and especially one known to be friendly to the farmers, who understands their troubles and can get their votes. That would be a combination hard to beat.

Of course, Mr. Editor you are going to see a lot of Texas politicians advocating Dan for vice president. Why? Get him out of the race for vice president. Why? Get him out of the race for re-election and then maybe they'd have a chance for governorship. But you keep your eye on Dan. He'll be running for re-election within the next two months.

The politicians and some of the writers have been trying to make political capital out of Dan going to that Jackson Day dinner in Washington. But I can explain to you, Mr. Editor, just why Dan made that trip. He just wanted to see what some of those big politicians looked like in the flesh.

Dan's just an ordinary country boy, sort of like you and me, raised down here in Williamson County. This was the first time he has had an invitation to one of those famous Jackson Day dinners. He knew that Clem Shaver, W. G. McAdoo and a lot of others, including Will Rogers, were going to be there. Very likely he went to see and hear Will Rogers. And then, Jesse Jones wanted him to go up and help get the convention for Texas.

But there's nothing at all to this talk about him going up there trying to get on the democratic ticket.

Fact of the matter is, Dan doesn't want to be vice president of the United States at least, not enough to make a race for it. He knows that in the first place he might not be elected at all, and then he'd be in an awful fix—no money, no job and a defeated politician. In the second place, if elected he would get only \$10,000 a year and it costs a lot of money to be vice president of the United States. Lots of money that Dan hasn't got.

He's too proud to borrow from his kin, filks and the banks wouldn't like to lend to him if they knew it would be several years before they could get it back.

So you just watch Dan Moody running for re-election as governor this summer. If he's elected he'll finish out two more years and then get himself a good law practice somewhere and go to making a living. It's just such common sense as that that makes Dan popular in Texas.

Well, Mr. Editor, I expect to travel around some next week and I'll write you what I find.

Yours very truly,
Thomas Jefferson Brown.

Jones Prairie News

By MRS. R. K. FONTAINE

W. J. Canady was called to the bedside of his brother, Frank Canady who is very ill in Dallas.

Miss Merle Carrol of Cameron spent the week end with Miss Connie Mae Hickman.

Mr. and Mrs. Floyd Patterson and children were Sunday dinner guests at the P. H. Love home.

C. J. McLaren of Waco visited at the Dr. W. J. Fontaine home over the week end.

Ray Love, manager of Duke and Ayres of Bryan, Texas, and his friend Miss Hamilton, were guests of Ray's parents, P. H. Love Sunday for dinner.

Jack McKinney broke his arm last week while cranking a Ford car.

Miss Mary Freeman has been ill a week causing her to miss school.

The B. Y. P. U. officers met for a business meeting Thursday night with Miss Rosewell at the home of Miss Ethel McKinney and Mr. and Mrs. Alma McKinney. After the meeting refreshments were served to all.

The Stidham family enjoyed a birthday dinner given by Mrs. P. H. Tindall of Calvert in honor of Grady Stidham of Cameron.

Mrs. Stibbs of Rosebud visited her sister, Mrs. R. O. Harper last week.

Mrs. A. R. McLerran was a caller Friday at the home of Mrs. Yager and Miss Lola Anderson.

Mr. and Mrs. Eldread Massengale have moved into their new home.

Mrs. T. B. Stidham and children were callers in Calvert Friday afternoon.

Those who were shoppers in Cameron Saturday were: Davis Black, Sam Heard and daughters, Dr. W. J. Fontaine, E. W. Massengale, Mrs. Minnie Johnson and Mrs. W. G. Black.

Mrs. Oliver Looney of Ben Arnold was a visitor at the Dr. W. J. Fontaine home Friday afternoon.

Miss Mary Tom Stidham spent the week end in Calvert with her cousin, Mildred Tindall.

W. A. Atkinson is moving this week into the S. T. Burnett home which he recently purchased.

The Baileyville B. Y. P. U. rendered a splendid program at the Little River church Sunday night and they were accompanied by their friends of their community.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* on the wrapper all these years just to protect the coming generations. Do not be deceived. Ali Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

Chas. H. Fletcher

THE TEXAS FARM and HOME Special Demonstration Train

Featuring Dairying, Poultry Raising, More and Better Livestock, Soil Improvement, Better Farms and Crops, Home Improvement and Boys' 4-H Club Work.

Operated jointly by the Santa Fe Railway and the Texas A. & M. College

The program presented throughout this campaign, which lasts for a period of six weeks, is intended to bring to the farmers of Texas new and practical ideas that will assist them in making their operations more profitable and their living more comfortable. The Santa Fe Railway endorses this program, prepared by the A. & M. College, and submits it to the communities it serves.

FOUR CARLOADS OF EXHIBITS—A REAL AGRICULTURAL SHOW OF STRONG EDUCATIONAL VALUE. AT

Cameron Thur. Jan. 26 1:30 p.m.

NEAR THE SANTA FE STATION

BREAKS RECORD

More than five hundred young men and women were graduated and placed in positions during 1927 by the Byrne Commercial College of Dallas.

Byrne College is fast winning a reputation with the big business firms of Dallas for turning out competent office help. Their extensive thorough courses of training give their students the ability to advance rapidly.

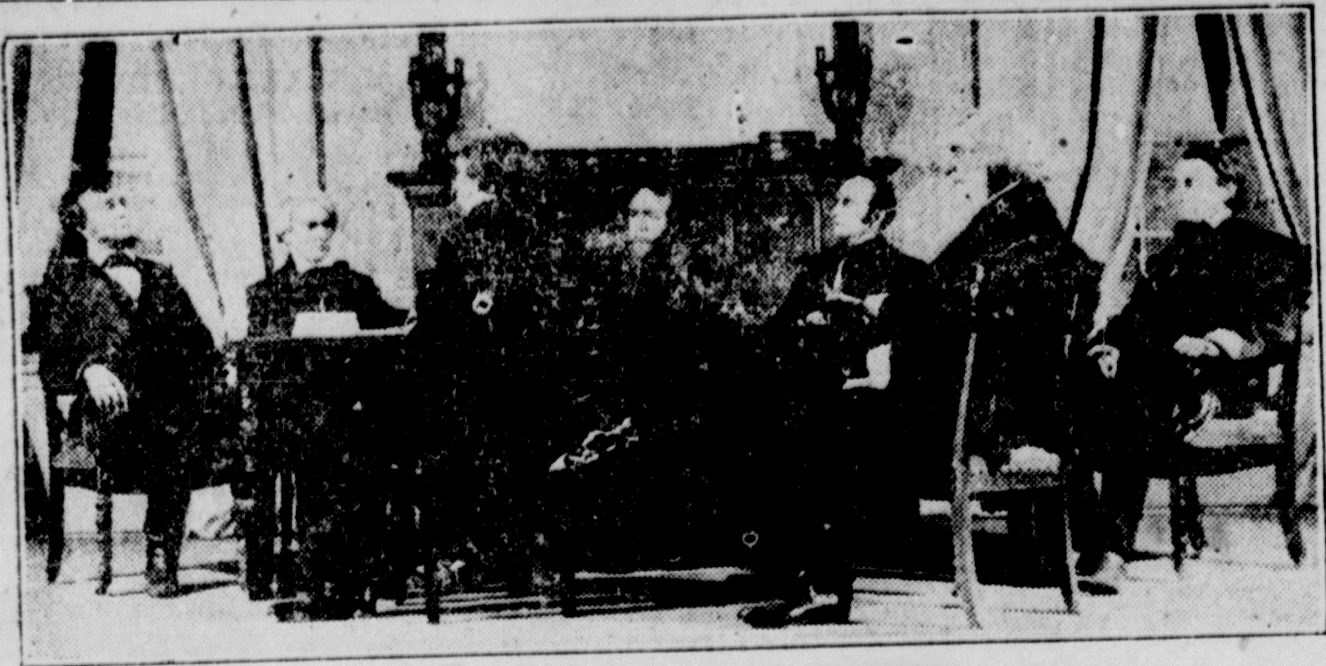

WINS TYPEWRITER IN BIG CONTEST

A Byrne College student has just won a typewriter offered by the Royal Typewriter Company of New York for the best speed in typewriting for fifteen minutes with no error. Cecil Starnes won the typewriter by writing unfamiliar matter at sixty-three words per minute.

Young friend, you can make no mistake attending a school that, by the use of its own copyrighted system, trains you in half the time and at half the cost of other schools so that you can win typewriters, medals, world's records, and hold the best high salaried position in Dallas, "the city of employment." A large catalogue will be mailed free upon request.

BYRNE COMMERCIAL COLLEGE

1708 Commerce St., (Opposite Post Office), Dallas

LINCOLN AND HIS CABINET
From Drinkwater's Great Drama.

This great drama from American life will be presented at the Yoe High school auditorium January 26. Seats are now on sale at the Palace of Sweets. This play is one of the greatest known to the American stage and worthy of the largest cities where it has had unusual success. Secure your seats today as they are selling fast.

Political Calendar

The voters of Texas will have their busiest year in 1928 since the 1924 'presidential year,' with two sets of precinct, county and state conventions, two primaries and the general election. The political calendar for the year follows:

- Jan. 31.—Closing date for poll taxes.
- May 5.—Precinct convention for national delegates.
- May 8.—County conventions for national delegates.
- May 22.—State convention of parties to select delegates to national conventions.
- June 11.—State executive committee meets to select place for state conventions.
- June 18.—County executive committee meets to prepare primary ballots.
- July 25.—First primary for state and district offices.
- Aug. 1.—Returns shall be made to county chairman.
- Aug. 4.—County executive committee canvass results of election.
- Aug. 20.—State executive committee canvass results of election.
- Aug. 25.—Second primary.
- Aug. 25.—District conventions.
- Aug. 29.—Returns shall be made to county chairman.
- Sept. 1.—Executive committee shall canvass primary results.
- Sept. 1.—County conventions.
- September 11.—State convention and state executive committee meet.
- Sept. 11.—Parties nominating by convention shall nominate.
- Nov. 6.—General election.
- Dec. 16.—Ballots shall be canvassed.

Living Room Contest

A living room contest under the supervision of Miss Bartholomew, home demonstration agent, is being conducted. The judges, Mrs. E. A. Wallace and Mrs. H. M. Hefley, visited the Duncan community this week in the interest of the contest. Those who have entered the contest thus far are Mrs. Will Swartz, Miss Mabel Modisett and Miss Garner.

Assessors Appointed

Tax Assessor, Miss Leila Woolley has announced the appointment of the following deputies to assist in taking the property renditions for tax purposes for 1928:

- Quinn Walker, City of Cameron.
- Clint Burke, Beats Nos. 1 and 6.
- Dan Thweatt, Beat No. 2.
- A. S. Hurt, Beat No. 3.
- W. W. Vinton, Beat No. 4.
- Monroe Walker, Beat No. 5.
- C. W. Maas, Beat No. 7.
- Seth Glasscock, Beat No. 8.

B. Y. P. U. On Hike

The members of the Intermediate B. Y. P. U. enjoyed a hike and picnic Friday evening from five to seven o'clock at the Wilson-Ledbetter park. Jumping, running and swinging were the diversions for the evening. After the games were over all gathered around a fire and roasted weenies and marshmallows.

Those enjoying the outing were: Galelie Chasten, Yora Cole, Dorothy Kidd, Waymon Jenness, Allie Fanning, Mildred Compton, Euna Key, Emmett Bell, Evert Bell, Clifton Davis, J. C. Mayfield Jr., Arnette Ryan, Garden Spolden, Mary Newton, Julie

Mae McCollum, Maurine Leonard, Calvin Marcum, Johnnie Reese, Ida Byrd Mayfield, Bessie King, Imogene Sapp, Guy Slocumb, John A. Smith, Beatrice Vaughan Fannie Mae Reese, George Leath, Gladys Jewel Copus, Willard Skelton Jr., Norman Black, Dick Slocumb, Mesdames W. B. Skelton, Don Slocumb, H. P. Black and Mr. H. P. Black.

Methodist Church

Splendid interest is being manifested in the services at the Methodist church. Last Sunday was a good day. Why not make each succeeding Sunday bigger and better?

The pastor is preaching a series of sermons relating Christian faith and living to Providence. The subject this Sunday will be "Special Providence."

The song service at the seven o'clock hour are growing in interest. Come in join in them. At the night hour the pastor will preach on "The Will of Jesus."

Did you hear those great hymns the choir sang as specials last Sunday? I am sure you always enjoy the work of the choir. Remember that the Sunday School will meet at 9:45 and the Leagues at 6:00.

Milano 4-H Club

The Milano 4-H Club met Thursday January 12 with ten girls present. There were two new members to join our club. Miss Olma Stewart and Miss Olive Boathead were the girls. We sang some songs and the club adjourned. We assured the ETAOINU journeyed. We answered the roll call on what we had done since the last meeting day.

Alvina Richards, Reporter.

W. J. Luke and Frank Worley of Sharpe were transacting business in Cameron Thursday.

Ellen Caver Class

Under the leadership of the capable and efficient teacher, Mrs. J. C. Martin an dpresident, Miss Grace Mangum, the Ellen Caver Class is moving steadily forward toward a standard class. New group captains have been elected and the first Monday evening in each month is set aside for regular monthly business meetings.

Stop That Itching

Use Blue Star Soap to cleanse the affected parts, then apply Blue Star Remedy. It penetrates the skin, kills out the germs, stops the itching at once, and restores most cases to a healthy condition. Eczema, Tetter or Cracked Hands, Poison Oak, Ringworm, Sore Blistered Feet, Sunburns, Old Skin Sores—all of these have yielded to its wonderful healing power. 60c and \$1.00 a Jar; Soap 25c. Manufactured by Star Products Co., Cameron, Texas.

Council at Austin

Delegates to the Episcopal Annual Council held in Austin January 13th to 17th, report progress along all lines of work.

The Young People's Service League was represented by Miss Agnes Chambers, Charles Knipp, Edward and Robert Love while Mrs. R. P. Jeter and Mrs. J. P. Love were attending the Adult Conference.

Special young people's services on Friday night were held in St. David's church and the great gathering of boys and girls was most inspiring.

Their business meetings were full of pep and live interest in Christian service.

The men's and women's meetings were held on Monday and Tuesday and were marked by evidence of a renewed consecration of the lives of the members.

Pioneer Shipper Is Back in the Market

The following from the Fort Worth Star Telegram will be of interest to the friends of R. L. Batte of Cameron:

A pioneer shipper to the Fort Worth market, R. L. Batte, Cameron, had 2 cars of steers in for Saturday's trading. The two loads averaged around 1,150 pounds and went to the scales on a bid of \$11.25 which was considered steady to strong with values for the week in view of the fact that these cattle were yarded in the quarantine section.

In addition to handling considerable cattle, Batte farms on an extensive scale and runs an oil mill at Cameron where these cattle were fed. He has a number of cars back that will soon be ready for shipment and has sent in several cars earlier in the season.

Batte's patronage of the Ft. Worth market goes back some 25 years or to the time it was opened. This sale was handled by the George R. Barse Commission Company, which recalls hand-

ling cattle for him on other markets before the packing industry developed the market at Fort Worth.

DULL, LISTLESS

Made Bright, Energetic By Black-Draught, Says Gadsden Lady.

"Ever since I have known about Black-Draught," says Mrs. Della Mayben, of Gadsden, Ala., "it has been my regular standby for indigestion and constipation."

"I first used Black-Draught fourteen years ago. At that time, I was suffering with a bad case of swelling across my abdomen. Every bite I ate disagreed with me, and I had very severe headaches."

"I decided to try Black-Draught. I was truly astonished at the quick relief. In a few days, I began to feel like a different woman. Instead of being dull and listless, I began to feel bright and energetic."

"From that time on, I have rarely been without a box of Black-Draught in my house." 25 cents. Insist on the genuine.

Thedford's

BLACK-DRAUGHT

CAMERON, TEXAS

SCENES FROM THE FASCINATING COMEDY SUCCESS

"3 WISE FOOLS"

WHICH IS COMING HERE WITH

Yoe High School Auditorium Friday Night January 27, 1928. Admission \$1.

The "Three Wise Fools" that the Cameron Business and Professional Women's Club is sponsoring will be given at Belton February 2nd and the following item has been taken from the Belton news: "Three Wise Fools," a comedy of mirth, master minds and mystery, which was contracted for last summer by the members of the local "Rotary Club" and the president of the Academic Literary Society of Baylor College. Its tremendous success elsewhere, the youthful romance

and fragrant memories blended into the play, coupled with the mirth-provoking and human interest elements were enough to persuade the two organizations sponsoring the play for Belton, while the price usually charged for an attraction of this kind and quality ranges from \$3.00, \$2.50 and \$2.00 per person, an effort will be made to set a popular price that can not fail to pack the house."

The "Three Wise Fools" will be put on in Cameron at the Yoe High school

auditorium, sponsored by the Cameron Business and Professional Women's Club Friday evening, January 27th for the bargain price of \$1.00 per person. The cast is the same as will play at Belton the following week.

This play is full of scenes abounding in corking love climax; dramatic climaxes that thrills and grips one; a plot that mystifies and baffles you to guess just how the happy closing is to be reached, that makes a person happy for many a day.

DEATH OF LEM SMITH REMOVES FROM ROCKDALE ONE OF STANCHEST OF OLD GUARD CONFEDERATE VETERANS

(Rockdale Reporter)

The passing of Lem Smith, as noted in these columns last week, removes from Rockdale one of the staunchest of the old guard of Confederate Veterans, one of Rockdale's oldest and most highly esteemed citizens, and a man who for years has been loved by all who knew him for his gentle manner and friendly disposition.

"Uncle Lem," as he had long been affectionately known, would have been 85 years old had he lived forty days longer and on March 25th, next, he and his wife would have celebrated

their 60th wedding anniversary. Ten years ago they celebrated their golden wedding and each year since that time their wedding anniversary has been made the occasion of a family gathering at which time all the children were always present.

Some fifteen years ago The Reporter published a sketch of Uncle Lem's life with particular reference to his record as a Confederate soldier, and we deem it fitting at this time to reproduce that sketch, as follows:

Lem Smith was born in Montgomery County, Texas, February 6, 1843 and enlisted in the Confederate Army at Goshen, in Walker county, as one of the 25th Texas Calvary, Co. B, commanded by Captain Singleterry, and joined Gillespie's regiment at Nacogdoches, Texas, in the spring of 1862. From Nacogdoches the regiment was moved to Shreveport, La., and there dismounted and moved as infantry to Arkansas Post in Arkansas, where the regiment was added to Garland's Brigade, Churchill's Division and while there participated in the battle of Arkansas Post in the winter of 1862. And after a two day's battle all of Churchill's division was surrounded by superior forces and taken prisoners, and loaded into transports like cattle in a car, and were seventeen days making the trip down the Arkansas River and up the Mississippi River to a landing in the Illinois side of the Mississippi River and there transported by railroad to Springfield, Ill., and imprisoned for three months and three days, when an exchange was made, and the division sent back to Petersburg, Va., and after recruiting and recovering from long imprisonment, the Division was sent to Tenn., where they joined Gen. Bragg's Army, Calburn's Division and after doing service in several minor battles in Tenn., and in Georgia, participated in the battle of Chickamauga. After the battle of Chickamauga the army moved to Georgia and participated in a half days battle at New Hope church, where Tom Smith, a brother of Lem Smith, was killed. After the battle of New Hope church the army moved towards Atlanta, having skirmishes and minor battles each day until they reached Atlanta, where they participated in a two days

battle. After the battle at Atlanta Gen. Hood succeeded Gen. Johnson in the command of the Tennessee army and moved the army north through Georgia and Alabama and into Tenn., crossing the Tenn. River at Franklin where the army participated in the battle of Franklin, where Lem Smith was shot during the first hour of battle and removed from the battlefield to the hospital at Columbia, Tenn., for treatment where he was granted a furlough on account of his injuries which lasted until the close of the war. This was the third wound received by Mr. Smith during the war and the only one which laid him up, being shot in the thigh.

After receiving his furlough, which was early in February of 1865, Mr. Smith made his way to Mississippi, where he spent several days awaiting an opportunity to get across the Mississippi river, finally succeeding in effecting a crossing in a light skiff. Coming on down through Louisiana he finally made his way to the old home in Montgomery county, Texas, on foot, reaching home on the last day of February, footsore and weary barefooted and almost naked. This was just three and one-half years after he had left home to join the army and of the three brothers who enlisted Lem Smith was the only one to return. Tom was killed in the battle and Sam died in a Yankee prison at St. Louis.

He settled down with his parents then and got a financial start in life by catching wild steers in the woods of Southwest Texas, taming same and using them for hauling to and from the railroad. About thirty years ago he located in Milam county and since that time has been a valued and respected citizen in and near Rockdale rearing a family of three sons and two daughters, all of the sons being now well up the ladder of success in the business world.

Mr. Smith is a charter member of Camp Sam Davis, U. C. V., at Rockdale and stands high with his old comrades of the Lost Cause.

Horton Filling Station Held Up and Robbed

A lone hijacker, on foot, with his face covered by a handkerchief and wearing a new jumper, held up and robbed the Horton Filling Station at forks of the Rockdale-Tracy and Rockdale-Cameron highways Wednesday night of last week, securing the sum of \$8.30 from the cash register.

Mr. Floyd Horton and wife were in the filling station at the time. Mr. Horton stepped outside to disconnect his electric light machine, and when he stepped back to the front door he was confronted by the robber who covered him with a gun and made him back into the store. Mrs. Horton was also covered, and both were compelled to back up against the wall with hands raised. The robber then required Mrs. Horton to open the cash register for him, when he gathered up the cash therein, backing out into the night and striking off afoot across a nearby field. Mr. Horton secured his shotgun as quickly as he could, ran out and fired one shot in the general direction the man had taken, after which officers in town were notified.

Constable John Fleming next morning tracked the man across the field by a roundabout way to the Cameron road. He also found the handkerchief and jumper used as a disguise, which had been discarded in the field. Tracks were also found indicating that the robber had approached the filling station on foot from the opposite direction across another field and the in-

dications are that it was a one-man job and that man afoot.—Rockdale Reporter.

T. G. Jones Dead

T. G. Jones, formerly connected with the Burlington State Bank died at his home in Dallas. The body was brought to Cameron and taken to the former home at Burlington and there interred in the Catholic cemetery. The funeral was held at 4 p. m.

He was reared in Burlington and had many friends in this section who knew him when he was engaged in business at Burlington.

Christian Aid

The Ladies Aid Society of the Christian church met at the church Monday at three o'clock with a large number of ladies present. Mrs. Jim Adams led a very interesting and instructive Bible lesson using the 3rd chapter of Matthew.

Next Monday the ladies will meet with Mrs. W. M. Ryan for a missionary lesson with Mrs. Raymond Beard as leader.

Mr. and Mrs. E. A. Knipp of Houston have returned after a visit with relatives.

If Back Hurts Begin on Salts

Flush your Kidneys occasionally if you eat too much meat.

No man or woman who eats lots of meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Too much meat may form uric acid, which clogs the kidney pores so that they sluggishly filter or strain only part of the waste and poisons from the blood; then you get sick. Rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to activity, also to help neutralize the acids in urine so it no longer causes irritation, thus often ending bladder disorders.

●Jad Salts is inexpensive and can not injure; makes a delightful effervescent lithia water drink, which everyone can take now and then to help keep the kidneys clean and the blood pure, thereby often preventing serious kidney complications.

Scene from the "3 Wise Fools" Presented in Cameron January 27

Beg Pardon, We Made Error On Whippet Price Reductions

We respectfully call attention of the public to the error made last week in the advertisement of Wilkerson Brothers in the price of the Whippet Cabriolet Coupe. The reduction shows to be two dollars whereas it should be have been two hundred dollars.

The Wilkerson Brothers garage presents the New Whippet which is a motor marvel. Read what Mr. Wilkerson says about it:

One of the sensations in the automobile world is the perfected 'Whippet' produced by the Willys-Overland

Inc., and it is direct evidence that John N. Willys, president of the corporation proposes to make good on his declaration that "there can be no monopoly in the light car field." The perfected car, and the price at which it is offered, placing it directly in competition with the lowest priced cars has centered the eyes of the automobile industry and the motor car world in general on the enterprising Toledo manufacturer. It makes him the first manufacturer of automobiles to enter the price field heretofore exclusive to but one light car manufacturer.

The 'Whippet' which has been in production for more than 18 months, holds the national fuel economy record of 43.28 miles to the gallon in a test between Los Angeles and New York City, covering a distance of 3,559 miles, under official observation of the A. A. A. In a speed test on Rockingham Speedway, Salem, N. H., a 'Whippet' recently attained a speed of 71.6 miles an hour over a 50 mile route. This was officially timed.

The same engine that has accomplished these records is the power plant employed in the perfected 'Whippet' now offered at the lowest price in the history of Willys-Overland.

The 'Whippet' was the first light car to be equipped with four wheel brakes, setting a new trend in the light car field. The braking area of the 'Whippet's' brakes is greater than any other light car.

Details of the perfected 'Whippet' disclose a wider range of colors, employment of full crown fenders, a new cadet sun visor that imparts a smart military effect, and the addition of automatic windshield cleaner, rear view mirror, and a combination rear driving light and stop light. These additions make the 'Whippet' the most fully equipped light car built in the four cylinder field.

Drink Water to Help Wash Out Kidney Poison

If Your Back Hurts or Bladder
Bothers You, Begin
Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.

MURDER SUSPECT IS FORMER ROCKDALIAN

BORN AND REARED IN ROCK-
DALE LOS ANGELES MAN
FACES TRIAL

(Rockdale Reporter)

The daily papers have been filled the last week with accounts of the arrest of Dr. Chas. M. McMillan, of Los Angeles, Cal., who stands charged with the murder of a woman in that city, but who stoutly protests his innocence.

Dr. McMillan was born and reared in Rockdale, graduating from the Rockdale High school in 1890. After leaving this city he studied medicine and was a practicing physician in various towns of the state. He has been in California for several years.

Dr. McMillan visited Rockdale last November, spending the night here while on an automobile tour of the state.

Arrested December 29

Los Angeles, Cal., Dec. 30.—Search for the \$60,000 worth of jewelry believed owned by Mrs. Amelia Appleby, whose body was found, bound in a sack, near San Fernando last Monday, was started by police here late today after identification of the dead woman as the widow of F. Appleby, wealthy Chicago inventor who died several years ago.

Dr. Chas. McMillan, 57 year old physician who was arrested last night and charged with the woman's death was taken today to a San Fernando morgue, where the body had lain unidentified until yesterday. The body was found trussed up and there were indications that the woman might have been beaten.

Deputy sheriffs investigated recent real estate transactions of Dr. McMillan, who said that he had acted as Mrs. Appleby's agent. Mrs. Appleby was the owner of valuable Chicago property.

Dr. McMillan denied he knew anything of the manner of her death. He said he last saw her alive December 23.

Among the papers in Mrs. Appleby's home was a penciled will drawn in favor of the physician. Police said it was in his handwriting.

Pouring Over Papers

McMillan, who came here several years ago from Colorado, Tex., was caught here last night when officers raided his apartment and found him poring over Mrs. Appleby's private papers which he had spread on the floor.

Police said McMillan had lived with Mrs. Appleby, had obtained her power of attorney and had made a trip east with her last summer. The officers declared the motive for the slaying was the desire of the physician to acquire title to the woman's property, which was said to include more than the Chicago apartment.

Will in Physicians Favor

A will written in pencil, presumably that of Mrs. Appleby, was found among the papers in McMillan's apartment. It has been drawn in his favor.

Although police believe Amelia Appleby was the woman's true name, they declared she had been known as Mrs. Mollie Burke, Mrs. Amelia Ellenbaugh and Mrs. Margaret Ellenbaugh. Her body was identified by neighbors who said she had been missing from her home since last Monday and that another family had moved into her house.

The doctor told officers that bloodstains which they had found on his coat were from nose bleed.

Surgeon's knots were used, according to the deputy sheriff in tying up the woman's body.

Seen at Woman's House

Neighbors of Mrs. Appleby told deputy sheriffs that they had seen McMillan at the woman's home many times, the last being Friday, when he assisted her in repairing her automobile after which they drove away together.

McMillan who was there Monday assisted the new tenants to move in.

Mrs. Appleby's body when found showed she had been dead about 12 hours. She had been beaten about the head and then strangled and tied in a sack with twine and the entire bundle wrapped with window sash weight cords.

I ask for and will appreciate

AT THE AGE OF 83

Women Need a Mild Laxative —Not a "Physic"

Countless girls and women now know how foolish and needless it is to "purge" and "physic" themselves to avoid sick headache, dizziness, biliousness, sallow skin, colds, or sour, gassy stomach.

They have found that Dr. Caldwell's Syrup Pepsin helps to establish natural bowel "regularity" even for those heretofore chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it never gripes, sickens or upsets the most delicate girl or woman. Besides, it is absolutely harmless and so pleasant that even a cross, feverish, bilious, sick child gladly

takes it.
Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself.

Dr. Caldwell's
SYRUP.
PEPSIN

Rockdale Bonehead Club Backs Move to Pipe Gas to City

Rockdale, Tex., Jan. 14.—The annual dinner, designated as ladies' night of the Rockdale Bonehead Luncheon Club, Thursday night at Hotel Larrieu, was featured by an address by H. H. Walker, field superintendent for the Lone Star Gas Company of Dallas.

The major activity of the Bonehead club at this time is the effort to secure natural gas for Rockdale, and a strong committee was appointed to select individual consumers' contracts; in this work the club has the assistance of the American Legion post and the co-operation of the Commercial club and city council.

Other out of town guests at the dinner included G. R. Blackburn and W. W. Wilkerson, representing a Dallas engineering firm interested in the proposed street paving program for Rockdale.

The Bonehead club is also interest-

ing itself in this campaign.

Dr. H. W. Cummings, president of the Hearne Chamber of Commerce, Hon. W. A. Wilkerson, city manager of Hearne, were also guests and responded with after-dinner talks.

A regulation turkey dinner was served and a splendid musical program enjoyed; the club stunt committee also provided several amusement features.

L. A. Baxter, president of the Bonehead club, presided as toastmaster.

Lott Boy Run Down and Killed by Auto

Rockdale, Tex., Jan. 14.—News has been received here of the tragedy which occurred at Lott, Thursday afternoon, when the seven year old son of A. M. Williams was run down on the public highway and fatally injured by a car driven by Henry Moseley of Rockdale. The child was rushed to a Marlin hospital. The negro was detained, but the accident was reported as unavoidable and Moseley was exonerated.

Moseley operates an up-town barber shop in Rockdale, for "whites only" and possesses a quiet, obliging disposition and is highly respected by all classes.

Wednesday Bridge Club

"On January the eleventh promptly at three, Come to the bridge club, it meets with me;

On the paper below please outline your hand,

And send to me as soon as you can."

The above very catchy invitations were sent out by Mrs. John Bowman to members of the Wednesday Club and a few friends, bidding them to her home on North Fannin for a pleasant afternoon. The papers enclosed in the invitations were pink and the outlines were sent early to Mrs. Bowman which were used for tallies. Partners were matched by guests finding their own hand on which were written table and couple numbers. Score pads were pink pads outlined from Mrs. Bowman's hand. Pink and white were the chosen colors and were further emphasized by the lovely vases of pink and white early spring roses. Three tables were arranged for the games and after a happy two hours it was found Mrs. Jas. Watson and Mrs. J. C. Tucker had tied for high score, although no prizes are offered in this club.

The hostess was assisted by her sister, Mrs. Watson, in serving a delightful salad plate with cake and tea. Guests for the afternoon were Mesdames Ed Balhorn and Fred Cable.

Bridge Club

Mrs. R. P. Jeter was delightful hostess on last Friday at her home at three p. m. Potted plants, ferns and red berries were used for decorations in the rooms of the home. Four tables were set out for the games and after a series of spirited games Mrs. Rush Thomas was found to have won

high and Mrs. Vivian McIntyre low and each were given a potted cyclamen. A potted cyclamen was also given Mrs. Tyson of Calvert for guest prize. The hostess assisted by Mrs. W. O. Newton and Miss Beth Jeter served a salad course with tea. Guests other than club members were Mesdames Tyson and McIntosh of Calvert, Isaacs of Rockdale, Vivian McIntyre of Marathon, W. O. Newton and Miss Elizabeth Rischard of Quincy, Ill.

Symphony Club

The Cameron Symphony Club held the regular bi-monthly meeting Wednesday afternoon with Mrs. W. B. Levy at her apartment on Thirteenth Street. There were two leaders for the afternoon. Miss Helen Flinn and Mrs. R. P. Jeter conducting two lessons one for the month of December omitted during the holidays. Very beautiful piano numbers were rendered by Mesdames Jeter and Henry Sapp. Mrs. C. W. Bradbury gave a violin solo.

Mrs. Levy assisted by Mrs. Arthur Hugh Baskin served hot coffee with whipped cream, sandwiches and cake. The next meeting of the club will be with Miss Helen Flinn on January 25.

Gas Spoiled Sleep, Made Her Dizzy

"For years I suffered from gas and constipation. Used to get headaches and dizzy spells. The first dose of Adlerika gave me relief. Now I rest well."—Mrs. B. Brinkley. Just ONE spoonful of Adlerika relieves gas and that bloated feeling so that you can eat and sleep well. Acts on both upper and lower bowel and removes old waste matter you never thought was there. No matter what you tried for your stomach, Adlerika will surprise you. Pace-Marshall Drug Co.

NAUSEA

This and Other Troubles Relieved By Black-Draught.

Mrs. Ada Blackmar, of Alexander City, Ala., writes: "From time to time, I would have spells of nausea . . . which would put me to bed. I would turn a dull, yellow color and, for days at a time, would have no appetite. Everything I ate sickened me. My mother had been a user of Black-Draught for years, so while I was at home, visiting, she asked me why I did not try Black-Draught for my troubles."

"I began taking a small dose, three times a day, before meals. I kept this up for several weeks, and it was just a little while before I began to notice an improvement in my condition."

"Black-Draught is certainly a fine medicine." You will say the same thing, once you have tried Thedford's Black-Draught. For sale everywhere. 25c.

To the Advertisers in the Cameron Herald

We wish to express our appreciation to those who advertise in The Cameron Herald and we feel that we are helping you "deliver the goods." Advertising is the oldest and surest way of achieving a prosperous business. For you are then keeping your business before the public, which is so essentially necessary that it reminds us of one of the oldest sayings we know of, "It pays to Advertise." Do you know of a better way to success? Some say good service is better, but we for one disagree, for when people go to your store after reading your advertisements, don't they naturally expect your polite service. Have you ever stopped to think that you can look around from where you are sitting and count the different things that have won success, merely by advertising. Advertising improves your business, regardless of its success. Try and see if your business doesn't improve.

We will be more than glad to help do this, and feel confident that you will deem it worthy, just as the other advertisers of The Cameron Herald do.

We would also appreciate receiving your ads in the early part of the week. If you do this, the paper will always be out on time (Thursday afternoon). The people in the country will then have plenty time to read over the Saturday Specials. We appreciate your business and will do our best to give you the satisfaction you expect of us.

State of Texas

To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam State of Texas, and you shall cause said notice to be printed at least once each week for the period of twenty days exclusive of the first day of publication before the return day hereof:

Notice of Filing Account
Estate of Deceaseds

The State of Texas,

To all persons interested in the Estate of Frank D. Dreher, deceased. Mrs. Myrtle Dreher, guardian has filed in the County Court of Milam County, guardian's final account in said estate and an application for discharge which will be heard at the next term of said court, commencing the first Monday in February A. D. 1928 at the Court House thereof, in the town of Cameron, Texas at which time all persons interested in said Estate may appear and contest said account, should they see proper to do so.

Herein fail not, but have you then and there before said court this writ, with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said Court at Cameron, Texas, January 14th A. D. 1928.

Lillian Atkinson, Clerk,
38-3tc Co., Court, Milam Co., Tex.

Mr. and Mrs. Andrew Esslinger and Miss Blanche Hensley spent Sunday with their parents in Anderson.

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

Well-known druggists say it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

RUN-DOWN

Cardui Starts Missouri
Lady On Road To
Health Again.

Mrs. T. G. Harris, of Clarksburg, Mo., writes: "For two years, I was in very poor health, almost past going, so weak and run-down. I tried to make the most of what little strength I had left, but I could find nothing to start me on the road to health again until, one day, I decided to try Cardui. "I took Cardui for several months and was very much gratified with the results. I began to do my own work again. My color, which had been pale and sallow, became natural. My complexion cleared up. Cardui was just the tonic, I needed."

Take Cardui if you are run-down. It should do you good. At all druggists.

Branchville News

Everyone in our village has gone to their places of business and to work in earnest after the holidays. The farmers had a splendid week and accomplished quiet a lot, the teachers and school children have entered their work with much energy and a new determination to make the remaining part of the term exceed the first. We have a splendid school due to the efficient teachers who are Misses Rushing and Raley and Mrs. Robinett. We have a fine bunch of children and the corporation of the parents is wonderful.

We have organized a P. T. A. and have a nice little sum in the treasury that will be used for school ground equipment. The Girl Scouts had their regular meeting Thursday afternoon. The Baptist church has started the new year with a new pastor, Bro. J. O. Jameson. He preached two very interesting sermons Sunday to a large crowd and he seemed to be very happy and overjoyed with his new work. There was a radio program Sunday night at the B. Y. P. U. which was very interesting. The special music by Mesdames Roy Yates and Joe Foster and a solo by Miss Dorothy Foster was enjoyed by all. Thanks to Mr. O. L. Walker for the electric lights furnished the church. The Methodists also have a new pastor, Rev. House.

SULPHUR IS BEST TO CLEAR UP UGLY, BROKEN OUT SKIN

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Menthosulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Menthosulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment or disfigurement. A little jar of Rowles Menthosulphur may be obtained at any drug store.

NOTICE!

The city has received many complaints regarding the running at large of chickens in the city. Notice is given that owners of chickens are not privileged to permit damage to flowers, gardens or other property of their neighbors and should at once see to it that their chickens are kept in proper enclosures.

The city trusts that it will not be necessary to take any further action in this matter and that those who keep flocks in the city will comply with this request.

BY ORDER OF CITY COUNCIL

Notice!

Protest is being made against the dumping of rubbish and animals in the public road adjacent to the city dumping grounds near Cameron and this notice is given to warn those who are dumping in the public road to refrain from this practice in the future.

It is a violation of the state law to obstruct a public road in this manner and in the future those who dump refuse in the roadway will be called to account for their action.

The county desires the co-operation of the citizens of Cameron and the county hopes that no such action as outlined above will be necessary.

The dump grounds are provided for the convenience of the people. Please drive inside and do not dump refuse in the road.

Recently the city and county has been put to expense of moving discarded auto beds, refuse of all kinds and animals from this road. If the people who use the the grounds would drive inside with their refuse this would not have been necessary. All animals are burned by the city and the people are respectfully requested not to violate the law again by dumping in the public road.

THE Fastest FOUR IN AMERICA HAS ALSO PROVED ITSELF THE Finest

Six months on the highways of the world have established this car's right, beyond dispute, to the title "America's Fastest and Finest Four".

Mile-a-minute performance, lightning acceleration, custom beauty, and limousine comfort are the outward expression of exceptional inward fineness. No Dodge Brothers Four in thirteen years of quality building has been built so well.

Materials are selected with every advantage of Dodge Brothers vast purchasing resources, and fabricated with minute precision.

Every point that sustains excessive stress is fortified by the finest metals that the world's markets afford.

The performance, comfort and style you get in Dodge Brothers Four are not therefore the fleeting attributes of newness. They are deep-rooted in the car's structural quality—the surest guarantee of long and dependable service at low cost.

\$875 Now equipped with Steeldraulic 4-wheel brakes at no extra cost.

VAN TYSON IS MAKING GOOD WITH ROAD WORK

FORMER RESIDENT HERE PRAISED BY WEST TEXAS PRESS IN WORK

The following items from the Burnet Bulletin and the Llano News will be of interest to the friends of M. V. Tyson in Cameron and Milam County. Mr. Tyson accepted a position with the state highway commission recently and went to West Texas to begin his work. He has made good with the department.

M. V. Tyson, the head man in improving Highway No. 29, through Burnet county from the Williamson

county line to the Llano county line, deserves high commendation for the splendid work that has been done on the road during the past few months. Mr. Tyson has been untiring in his efforts to place the road in first class condition and he has been highly successful. The road has been straightened in many places, culverts have been laid, the road graded in a manner that makes it a pleasure to drive over it and at present Mr. Tyson is engaged in graveling the road in places that get muddy when it rains. When this work is done he will finish up the work of putting in culverts and No. 29 will then be a road that may be traveled with impunity in any kind of weather.

For several years this road has been under the control of the State Highway Commission, but until the year just closed no great improvements had been made. For the great improvements that have been made since last June, Mr. Tyson has the thanks of the traveling public and everyone hopes that the good work will be continued.—Burnet Bulletin.

Joe Gresham, maintenance superintendent and D. E. H. Monigault, division engineer for the State Highway Commission were in Llano the first of the week going over the two highways in the county.

These gentlemen were well pleased with the work which Mr. Tyson has done, and is doing at the present time. They consider the roads here among the very best graveled highways in the State and wish to see additional improvements made from time to time.

Mr. Tyson stated that he would begin at once the work of placing gravel on the two blackened strips on Pecan Belt highway. One of these places is about two miles south of town and the other at the Jim Cone place some seven miles out on the road.

The district foreman has had his force busy backslapping the ditches on No. 29 between Llano and Bluffton and said this work would be done all along both highways in his district.

He has either repaired or put in 72 culverts in Llano and Burnet counties since he has had charge of this work.

Mr. Tyson in talking of the improvements which have been made in the past year, said that it was indeed encouraging to work among a people who offered the cooperation found in

this and Burnet county. R. A. Byfield has told the foreman to go into his pasture and get all the gravel needed for the proposed improvements and the county authorities have turned over to him the large road maintainer, which he will have exclusive use of until the first of next September.—Llano News.

Auction 42 Club

Mrs. W. A. Bonds proved a delightful hostess on Tuesday at three o'clock when she entertained the Auction 42 Club.

The rooms of the home were decorated with vases of pink roses with ferns and also potted ferns. The table covers were of snowy linens. Further color was given the tables by use of Gibson's progressive cards and score pads in black and pink. After many merry games the hostess removed the game covers and placed hand decorated serving trays on each table centered with a potted begonia. A two course luncheon was served. Tuna salad, toasted crackers with cheese and hot tea, marshmallow dainty and fruit cake.

Table favors were dainty little Dutch kitchen clocks all decorated in bright colors. In the cuts these fell to Mrs. Hayden Lawrence, Mrs. Semie Burns and Mrs. B. F. Bonds. The special guest prize was a bottle of Jade perfume and was presented to Miss Lucille Dickard of Ruston, La.

Salem News

For the last ten days we have been enjoying the warm weather and the farmers around here have taken advantage of the pretty days and have started their farming.

Our school is progressing nicely with Miss Mary Randolph as principal and Miss Willie Modesette as assistant. We have more children in our school this year than we have had for some time.

Mr. Will Osborne of Salem made a business trip to Floydada last week.

Mr. Joe Lankford of this community has moved to Cameron.

Mrs. Pfardrescher has been sick this week with the flu but we are glad to report she is better.

Mr. B. W. Wier and family has moved back to Salem.

Mr. and Mrs. F. L. Clifton, Margaret, Erna Mae and Mr. and Mrs. Hal Clifton motored to Ben Arnold Sunday and spent the day.

Miss Willie Modesette spent the week end with home folks at Duncan.

We are glad to have Mr. and Mrs. Eickett Dodson back in our community.

Women! Defeat Your Ills!

Port Arthur, Texas.—"I have taken Dr. Pierce's Favorite Prescription off and on when I would feel rundown in health and it always built me up and helped me a great deal in many ways. I can highly recommend it to be a wonderful medicine for ailing women. I don't believe it ever fails if given a fair trial."

—Mrs. D. D. Williams, 627-10th St. Obtain Dr. Pierce's Prescription now, in liquid, large bottles \$1.35, or tablets, 65c, from your druggist or send 10c for trial pkg. of tablets to Dr. Pierce's Invalids' Hotel in Buffalo. Ever tried Dr. Pierce's Pleasant Pellets for the stomach and bowels? 60 Pellets, 30 cts.

Ouch! Rub Backache, Stiffness, Lumbago

Rub Pain from back with small trial bottle of old "St. Jacobs Oil."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin. Limber up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

Baptist W. M. S.

The ladies of the Baptist church met Monday for mission study. Each third Monday will be devoted to the reading of missionary books and the one now being read is "The Larger Stewardship." After some items of business had been disposed of Mrs. John Denson closed the meeting with a prayer. Next Monday the ladies meet at the following homes for study in Royal Service:

Circle one with Mrs. Conn Miller, Circle two with Mrs. Geo. McGehee, Circle three with Mrs. Gus Evans and Circle four with Mrs. Martha Shephard.

Mrs. Hettie Sanders

Hettie F. Grant was born March 30, 1845 in Abington, Virginia. Within the beauty of Virginia hills and vales romance budded and Hettie F. Grant was married to G. W. Sanders September 14, 1849. Even as she had cast her lot with her husband in earthly things, she gave her Christian devotion to the Methodist church that they might be united spiritually also; and as a Christian woman she wore the yoke of his love for almost seventy years.

In 1878 Mr. and Mrs. Sanders came to Texas and settled in Travis county later removing to Williamson county and finally to Milam county near Ad Hall where she lived the last fifteen years of her useful life.

This good family was blessed with seven children; three died in infancy, one in womanhood and three children survive: A. L. Sanders of Austin, Texas, H. G. Sanders and Mrs. Lydia S. Polk of Cameron, and two granddaughters to whom she was both grandmother and mother, Mrs. R. W. Carson of Austin, Texas and Mrs. O. O. Duncum of Cameron. Mrs. Sanders was spared in this life to enjoy the lives of two great-grandchildren, Little Dora Emma Duncum of Cameron and Little Marjorie Evelyn Carson of Austin.

Mrs. Sanders spent an active life and was as well as usual up until eight hours before death called her to join in the "innumerable caravan," on January 9, 1928, thus having lived on the earth for almost eighty-three years. She was laid to rest by the

side of her husband in Oak Hill Cemetery amidst a beautiful floral offering which came from her many friends who will ever remember her as a gracious and hospitable hostess of old Virginia.

Those to attend the funeral from out of town were Dr. and Mrs. A. S. Grant of Austin, Mr. and Mrs. E. E. Winfrey and Mr. and Mrs. Edgar Winfrey of Marlin.

Coleman and Eplen, undertakers had charge of the remains. Active pallbearers were: J. P. Johnson, B. V. Shirley, E. L. Kahler, J. W. Haygood, T. A. Howell and Dow Eplen. Honorary pall bearers were: Judge Jeff T. Kemp, Judge John Watson, S. M. Burns and Max Collins.

"Mother"

Thy soul was like a star and dwelt apart:

Thou hadst a voice whose sound was like the sea;

Pure as the naked heaven, majestic, free,

So didst thou travel on life's common way

In cheerful gladness; and yet thy The lowliest duties on herself did lay heart

STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! How good it feels. Your nostrils are open, your head is clear, no more hawking, snuffling, blowing; no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.

Your Druggist

Has arranged a special display of the new types of rubber goods. Hot water bottles that do not leak, syringes, rubber gloves to save your hands, see bags especially designed to fit the throat and head. All the conveniences and comforts that rubber goods have brought into the home and sickroom. See your druggist's display this week. P-28-

NOTICE!

City Dump Grounds

The City of Cameron has received complaint about abuses in use of the city dump grounds maintained for the convenience of the people.

The city has been put to the expense of moving obstructions from the public highway adjacent. The city desires to give notice that any future violation of this regulation will be prosecuted vigorously.

The grounds are maintained for the convenience of the people and they should drive inside to dump and not use the public road. Bodies of animals are burned at the expense of the city. It appears that the matter of co-operation to the extent of hauling these bodies to the pit for burning is such a reasonable demand that the people would not think of doing otherwise.

Officers are to be stationed at this dump ground and anyone caught dumping in violation of the regulations will be prosecuted.

Please co-operate with the city and county.

No Alterations at these prices

We cannot put tickets in the drawer at these prices; we must have the cash.

No approval tickets made. If purchase is not satisfactory your money will be refunded cheerfully.

This sale of broken stock will attract the attention of shrewd buyers. Here's a bit of news that sticks a poking, prying finger into every man's pocket book and propounds a query with a decidedly economical twist to it.

DO YOU CARE TO MAKE A FINE SAVING ON WINTER GOODS?

We won't carry over stock and it is at this season that we cut prices all to pieces, small pieces too. Pretenses or half-way measures won't do it as many merchants have found out to their sorrow. Prices must be cut without making any allowance for profit! Cut without regard to original cost. That's just what we've done as you can see.
